Upcoming Events

S1 / 2 Games

19th May 2007 - Mackie 7's. - The following info was received from Mackie.

Due to the number of teams taking part we would like to start the first games at 10.30am so I would like all teams to register at Redcloak no later than 10.00am. We intend to provide something to eat for all the players but will also have the Mackie Tea Tent selling teas, coffees, soup etc. as well as a burger stall. We also hope to have Thistle Sports with a selection of stock to purchase but this has yet to be confirmed.

One important thing is we would like to avoid is any parking on the main road adjacent to the pitches and in any of the adjoining farm buildings or entrance to the recycling depot. Once the parking space at Redcloak is full drivers will be allowed to drop off their passengers and then park their cars in the Car Park at Mackie Academy. We will be running a shuttle bus to then take them back up to Redcloak. Could you please make sure that all your players, coaches and parents are aware of this.
